Pagrindinės savybės

- ✓ 2-in-1 Charging Cable: Simplify USB charging with a durable USB-C to USB-C cable featuring an attached Lightning adapter, providing reliable connectivity for both USB-C and Apple Lightning devices; Note: This cable charges one device at a time
- ✓ Long-lasting Cable for Daily Use: Durable dual-layer design combines a flexible braided nylon jacket with a TPE inner layer to resist tangling and protect against everyday wear; Ideal for rugged and demanding environments
- ✓ Certified Apple Compatibility: Attach the Apple MFi-Certified Lightning adapter to the USB-C Charging Cable for guaranteed compatibility and up to 30W power delivery to iPhone and iPad devices; The cable supports USB 480Mbps for data transfer and syncing
- ✓ Ideal for Mixed Setups: Streamline your mobile charging and workspace setup with a single USB-C cable that works across USB-C chargers/hubs and power banks; Deliver up to 20V 3A (60W) to USB-C laptops; Charge Apple Lightning and USB-C iPhones/iPads
- ✓ The IT Pro's Choice: Our USB-C cables are rigorously tested in our in-house Innovation Lab for reliable performance, durable construction, and broad compatibility with a variety of devices; Backed by free lifetime 24/5 multi-lingual technical assistance

Aprašymas

Charge an Apple Lightning device or a USB-C device from any USB-C power source

Equip your workspace with a versatile 2-in-1 USB-C to C cable that provides charging for both USB-C and Apple Lightning devices.

2-in-1 USB Charging Cable

Keep this USB-C cable with an integrated Lightning adapter on hand and minimize the need for carrying multiple charging cables. The dual-format design makes it easy to switch between USB-C and Lightning portable devices. It also supports USB 480Mbps speeds for general file transfer and device syncing. The cable can charge one device at a time.

Charge your devices from any USB-C wall charger, car charger, or power bank. The attached adapter swaps quickly to support compatibility across USB-C and Apple Lightning devices.

Rugged Design

The USB-C cable's rugged braided-nylon outer jacket provides reliable protection against wear from frequent daily use. A flexible TPE inner jacket absorbs stress from repeated bends, delivering long-term durability without added bulk.

Easy to Use

To charge or sync a Lightning mobile device, attach the USB-C female to Lightning adapter to the USB-C connector and plug into your device. To charge or sync a USB-C device, simply use the primary USB-C connectors on both ends of the cable.

2M-U2-LNTC-CABLE is Apple MFi certified for guaranteed compatibility with Apple Lightning-enabled devices.

Techninė specifikacija

Features	
Connector 1	USB C
Connector 2	USB C
Connector 1 gender	Male
Connector 2 gender	Male
Product colour	White
Connector 1 form factor	Straight
Connector 2 form factor	Straight
Connector adapter	Yes
Connector adapter type	Lightning
Connector contacts plating	Nickel
Cable jacket material	Thermoplastic elastomer (TPE)
Cable shielding	Aluminum mylar foil
Maximum data transfer rate	0.48 Gbit/s
Cable type	Round cable

Plug and Play	Yes
Fast charging	Yes
USB Power Delivery (USB PD)	Yes
USB Power Delivery up to	60 W
Power	
Input current (max)	3 A
Weight & dimensions	
Cable length	2 m
Weight	60 g
Packaging data	
Package width	128 mm
Package depth	220 mm
Package height	10 mm
Packaging content	
Quantity per pack	1 pc(s)
Operational conditions	
Operating temperature (T-T)	0 - 70 °C
Storage temperature (T-T)	-10 - 70 °C
Certificates	
Compliance certificates	RoHS
Logistics data	
Products per master (outer) case	48 pc(s)
Master (outer) case width	380 mm
Master (outer) case length	430 mm
Master (outer) case height	290 mm
Matmenys ir svoris	
Matmenys (I × P × A)	13,00cm × 5,00cm × 3,00cm
Svoris	0,07kg
