Aprašymas

Perfect for a variety of devices, this USB-C® charger can provide up to 67W of power and comes equipped with 3 detachable DC converters, allowing you to change the power connector if needed. The detachable DC connectors are fit to charge older laptops, such as Lenovo™, Dell™, and HP® laptops.

The charger is built with an advanced power integration GaN power chip, this high-speed, high-efficiency, compact charger charges faster than other standard power supplies.

The charger also supports surge, overcharging, overcurrent, and overheating protection to prevent damage to connected devices and ensure safe charging.

Techninė specifikacija
