Aprašymas

ARZOPA D14 PRO 14" Digital Photo Frame (brown)

The ARZOPA D14 PRO 14" digital photo frame is a modern device designed to display photos and videos in high resolution (2160 × 1440 pixels). It features a 14-inch LCD screen with a 3:2 aspect ratio, a 10-point touchscreen, and 64 GB of internal storage, ensuring convenient storage and viewing of multimedia content. Wi-Fi connectivity, support for SD cards and USB drives, automatic image rotation, and built-in speakers make this photo frame ideal for both home and office use.

Clear image and natural colors

The 14-inch LCD display with a resolution of 2160 × 1440 pixels allows you to view photos with a high level of detail. A brightness of 300 cd/m² and a contrast ratio of 1000:1 ensure good image visibility, while 99% sRGB color gamut coverage ensures that photos look natural and retain proper color depth. Wide viewing angles allow for comfortable viewing of content from various locations in the room.

Intuitive everyday use

The frame is equipped with a 10-point touchscreen that makes it easy to navigate menus and manage stored photos and videos. Smooth performance is ensured by a powerful RK3566 processor paired with 2 GB of RAM. The built-in Arzopa software offers simple operation, and the multilingual menu allows you to quickly set up the device and start using its features.

Ample storage for your favorite memories

64 GB of internal storage allows you to store a large number of photos and videos without needing additional storage media. The frame supports popular image formats such as JPG, JPEG, PNG, and WEBP, as well as MP4 and 3GP videos. If needed, you can expand the storage using an SD card or a USB drive with a capacity of up to 128 GB, making it easy to transfer new content and view it quickly.

Multiple ways to transfer photos and videos

The ARZOPA D14 PRO offers several options for adding multimedia content. Wi-Fi connectivity on the 2.4 GHz and 5 GHz bands enables network features, while the USB-C port allows you to transfer photos and videos from a Windows-based computer. The device also features a USB-A port for connecting a flash drive, an SD card reader supporting cards up to 128 GB, and a 3.5 mm headphone jack, allowing you to conveniently enjoy various multimedia sources.

Elegant Design and Practical Features

The frame is made of plastic and features a sturdy metal stand that ensures a stable position on a desk, dresser, or shelf. A built-in gravity sensor automatically adjusts the orientation of the displayed image to match how the device is positioned, ensuring that photos always appear correctly. Two 2 W speakers allow you to play videos with sound, and the low power consumption makes the frame ideal for everyday use.

Included

- ARZOPA D14 PRO 14" digital photo frame
- Metal stand
- 20 W PD power adapter
- User manual
