Pagrindinės savybės

- ✓ Silver Calls/Music In-ear Headset
- ✓ Wireless Bluetooth 5.3 10 m
- ✓ Intraaural
- ✓ Microphone type: Built-in

Aprašymas

Sound mastered. Noise cancelled.
Crafted with mastering-engineer insight and advanced noise-cancelling technology, the WF-1000XM6 delivers faithful, detailed sound. The refined ergonomic design keeps the fit natural for listening that lasts.

Your music, anywhere. Without limits.
Crafted with mastering-engineer insight and advanced noise-cancelling technology, the WF-1000XM6 delivers faithful, detailed sound. The refined ergonomic design keeps the fit natural for listening that lasts.

Sound mastered. Noise cancelled.

Refined shape. Naturally comfortable.
Shaped with intention. The fit feels personal—secure, light, and balanced—so every moment of listening feels just right.

Premium sound, co-created with the masters

Hear music as it was meant to be. Co-created with world-renowned mastering engineers, these earbuds deliver studio-level precision—preserving every nuance, every note, exactly as the artist intended.

Overwhelming quiet for anyone, anywhere

Block out more of the world when you need to. Working together, HD Noise Cancelling Processor QN3e, Integrated Processor V2, Multi Noise Sensor technology, Adaptive NC Optimiser and the snug, sealing fit help maintain strong noise cancelling in a wide range of everyday environments.

Sound quality, at its best

Hear more of the music you love. The original driver* and advanced processing reveal fine textures and space, while careful sound tuning keeps everything balanced wherever you listen.

Our best call quality ever

Two microphones work with a bone conduction sensor to detect your voice while AI beamforming steers pickup and reduces ambient noise. The person on the other end hears you, not your surroundings.

Ergonomic beauty. Crafted precision.
The ergonomic form fits comfortably in more ears, easing pressure for long listening. Finished in a premium matte texture, it feels soft to the touch and looks as considered as it sounds.

Designed for the flow of daily life

Water resistance handles sudden showers and sweaty sessions. Long battery life and quick charging keep your day moving from commute to workout to wind-down.

Techninė specifikacija

Performance	
Product type	Headset
Wearing style	In-ear
Recommended usage	Calls/Music
Headset type	Binaural
Product colour	Silver
Colour name	Platinum Silver
Volume control	Touch
Protection features	Waterproof
International Protection (IP) code	IPX4
Recommended age group	Adult
Ports & interfaces	
Connectivity technology	Wireless
Bluetooth	Yes
Bluetooth profiles	A2DP, AVRCP, HFP, HSP, TMAP
Bluetooth version	5.3
Frequency band	2.4 GHz
Frequency response (music mode)	20 - 20000 Hz
Wireless range	10 m

Headphones	
Ear coupling	Intraaural
Driver unit	8.4 mm
