Aprašymas

Description:
• High-Power Charging: This 4-port USB-C charger delivers a 240W total output and up to 140W on a single port, safely charging four devices simultaneously.
• Maximum safety: The charger uses GaN technology to maintain a compact design that stays cool. It also includes various safety features like overload and over voltage protection to offer maximum safety.
• Display to track the wattage: A display tracks real-time wattage of each individual port, making it perfect to view if the connected devices are charging accurate.
• Perfect for: Multi-device tech setups, busy office workstations, and travel environments where charging multiple high-wattage laptops, tablets, and mobile accessories quickly is necessary
