Pagrindinės savybės

- ✓ 4K laser clarity, up to 3x brighter*: Detailed 8.3 million-pixels visuals up to 500 inches with 3,400 lumens of brightness, powered by Epson 3LCD laser technology for vivid, natural colours, with no rainbow effect.*
- ✓ Epson AI imaging powererd by MT9681: High-contrast performance combined with AI upscaling delivers exceptional image clarity, colour saturation, and detail for a sharper, more vivid, and more immersive viewing experience.
- ✓ Easy, flexible installation: The centred lens, wide lens shift, and quiet, compact design simplify installation and make it easy to place on shelves, furniture or ceiling mounts in modern media space.
- ✓ Seamless audio integration: Multiple high-quality audio connectivity options, including HDMI eARC and Bluetooth 6.0, enable effortless connection to modern soundbars, wireless speakers, and headphone setups.
- ✓ Matter-support: Supports Matter-enabled smart home ecosystems, including Google Home, Samsung SmartThings, and Home Assistant, with voice control available via compatible platforms such as Google Home.
- ✓ Long-life solution with a 5-year warranty included: The 20,000-hour laser light source delivers stable brightness with instant on/off operation, low maintenance with no lamp replacements, all backed by a 5-year warranty for peace of mind.

Aprašymas

High-brightness 4K laser home cinema projector, Matter-support with 3LCD and AI-powered imaging for immersive everyday, all-day big-screen viewing.

Pateikta prekės informacija yra orientacinio pobūdžio. Techninės savybės, nuotraukos, aprašymai ir kaina gali keistis be išankstinio perspėjimo. Gamintojas ir pardavėjas neatsako už galimus duomenų neatitikimus ar tipografines klaidas. Prieš įsigyjant rekomenduojame pasitikrinti aktualią informaciją.

Transform your home entertainment with a premium big-screen experience for movies, TV shows, sports and gaming. Matter-support and powered by Epson’s 3LCD laser technology with AI image processing, this projector combines stunning 4K clarity with 3,400 lumens of brightness to deliver vibrant, immersive, cinema-quality images on screens up to 500 inches - all-day, everyday.

Cinematic 4K laser clarity

Detailed 8.3 million-pixels visuals up to 500 inches with 3,400 lumens of high-brightness for reliable bright-room performance. Powered by Epson 3LCD laser technology, it delivers vivid, natural colours with no rainbow effect, making it ideal for everyday, all-day, everyday viewing.

AI image enhancement technology

Upgraded TV chip and high-contrast performance work together to enhance overall image clarity. AI-powered processing automatically optimises colour saturation while lower resolution content is improved through intelligent upscaling—delivering a sharper, more vivid, and more immersive viewing experience.

Flexible installation for modern media spaces

Designed for easy placement, the centred lens, wide lens shift of ±59% vertical and ±21% horizontal, compact body and quiet operation help the projector fit cleanly on shelves, furniture or ceiling mounts with professional-looking alignment.

Your content and sound, your way

Use your preferred streaming stick, including Fire TV, Apple TV, Google TV or Roku, for a familiar interface with fewer software issues. HDMI eARC, Bluetooth 6.0 and a 3.5 mm audio output make it easy to pair soundbars, AV receivers, wireless speakers or headphones.

Smart home integration made simple

Matter support allows seamless integration with connected home ecosystems. Control the projector through Google Home, Samsung SmartThings, or Home Assistant, with voice control available via Google Home and simple on-screen Matter setup.

Long-life solution with a 5-year warranty included

With a 20,000-hour laser light source, instant on/off performance and no lamp replacements, the EH-LS6000 is built for frequent viewing with low maintenance—all backed by a 5-year warranty for added peace of mind.

Techninė specifikacija

Projector	
Projector brightness	3400 ANSI lumens
Projection technology	3LCD
Contrast ratio (typical)	600:1
Native aspect ratio	16:9
Screen size compatibility	1016 - 12700 mm (40 - 500")
Projection distance	1.14 - 23.67 m
Projection distance (wide)	1.1 - 14.7 m
Projection distance (tele)	1.9 - 23.7 m
Contrast ratio (dynamic)	3000000:1

Number of colours	1.07 billion colours
Projector brightness (economic mode)	1700 ANSI lumens
Light source	
Light source type	Laser
Service life of light source	20000 h
Service life of light source (economic mode)	20000 h
Lens system	
Focus	Manual
Focal length range	18.2 - 29.2 mm
Aperture range (F-F)	1.49 - 1.77
Zoom type	Manual
Throw ratio	1.32 - 2.15:1
Horizontal lens shift range	-21 - -21%
Vertical lens shift range	-59 - -59%
Video	
Video colour modes	Cinema, Dynamic, Natural, Vivid
Features	
Noise level	25 dB
Noise level (economic mode)	22 dB
Country of origin	Philippines
High Dynamic Range (HDR) supported	Yes
High Dynamic Range (HDR) technology	High Dynamic Range 10 (HDR10), Hybrid Log-Gamma (HLG)
Design	
Placement	Ceiling, Desktop, Floor, TV cabinet, Wall
Power	
AC input voltage	100 - 240 V
AC input frequency	50 - 60 Hz
Operational conditions	
Operating relative humidity (H-H)	20 - 80%
Storage relative humidity (H-H)	10 - 90%
Weight & dimensions	
Weight	8 kg
Width	440 mm
Depth	315 mm
