Pagrindinės savybės

- ✓ Glass Door
- ✓ Wallmount
- ✓ RAL9005

Aprašymas

Product Dimensions: 600 x 560 x 380mm

Colored strips located at the sides of the 4mm, antistatic, tempered, smoothed glass, door having an extruded alminum frame and high fracture resistance present a decorative view.
In free standing type applications, they may be used with optional pinion feet or caster group.
By attaching ventilation module with 2 fans maximum (in option) to the ventilation hole at the upper chassis of the cabinet, active ventilation is achieved.
If no fan module is attached, these ventilation holes enable air circulation inside cabinet and discharging of the hot air by passive ventilation.
Since the side doors are fixed and not detachable, access to the cabinet is ensured only form the front in wall mounting applications and from the back and front in free standing applications.
Standard cabinet is delivered having 1 set and 2 device installation rails mounted thereon. Device installation rails enable the depth adjustments of the devices to be applied into the cabinet.

By means of 145mm x 70mm cable inlet holes at the upper, lower and rear door of the cabinet, it provides cable inlet at 3 directions which in turn facilitates installation.
Thanks to the rubber edged cable entry module, movable for 0-50 mm and with sliding compression system, incoming cables are compressed safely whereas dust is reduced inside at maximum levels.

Techninė specifikacija

Features	
Rack capacity	6U
Type	Wall mounted rack
Maximum weight capacity	80 kg
Product colour	Black
Material	Glass
Frame type	Closed
Front door construction	Glass/Steel
Removable back door	No
Key lock	Yes
Front door key lock	Yes
Rack rails	Yes
Cooling type	Passive
Soundproof	No
Mounting hole shape	Round
Castor wheels	No
International Protection (IP) code	IP20
Preassembled	Yes
Cable entry point	Yes
Weight & dimensions	
Size (imperial)	48.3 cm (19")
Width	640 mm
Depth	620 mm
Height	370 mm
Weight	19 kg
Packaging data	
Package width	640 mm
Package depth	620 mm
Package height	370 mm
