Aprašymas

TOMTOC Voyage-A24 14'' Laptop Bag (black)

The TOMTOC Voyage-A24 is an elegant and functional 14'' laptop bag, designed for everyday use and a mobile work style. It combines modern design with high-quality materials, thoughtful organization, and advanced device protection. Its slim profile, comfortable handle, and suitcase strap make it perfect for both the office and travel. The bag was designed specifically for 14-inch MacBooks, and its internal dimensions are approximately 31.27 x 22.12 x 1.55 cm—if you have a different laptop, make sure it will fit.

Advanced laptop protection

The bag features a 360° protection system with CornerArmor™ technology, which protects the device’s corners from the effects of impacts and drops. Flexible edges and a soft, padded lining effectively absorb shocks and protect your device from scratches. The model meets military drop resistance standards (MIL-STD-810H), confirming its high level of protection.

Thoughtful organization

The three-compartment design allows you to conveniently organize all your accessories. Internal pockets hold a charger, cables, phone, or documents, while the front pocket provides quick access to your essentials. An additional rear pocket is perfect for documents or a notebook.
