Make it Easy with USB Type-C

No matter upside-down or right-side-up, you'll plug it in right every time with a USB Type-C connector. What's more, USB Type-C is compatible with a wide range of devices, from PCs, laptops, smartphones, to tablets, for hassle-free usage.

All the Space You Need

Does your storage device have enough space? The UE800 does! It's got enough for your 4K video and more with up to 2TB capacity. You won't need to worry about capacity anymore when archiving and editing videos and photos.
