Aprašymas

Always safe, always fun. Volume limits for home and travel

Specially designed to be extra safe for young ears, these headphones have been limited to 75 dB for listening at home or while studying. For listening in noisier environments outside of the home, parents can use the Philips Headphones app to set an 85 dB travel-mode volume limit.

Kid-friendly comfort and easy to use

Big, round control buttons on the bottom of the earcups make it easy for kids to use these headphones, while smaller earcups with soft earcup cushions make them comfortable to wear. The cushioned headband adjusts easily for a perfect fit and features dots on the back that help children see which way round to put the headphones on.

Colourful design with LED lights

Colourful LEDs in the earcups combine with the multi-coloured design of these headphones to make them stand out in all the right ways. The LEDs can be set to glow different colours: brilliant for kids who want to express their own sense of style.

Wireless audio sharing doubles the fun

If your kid's friends also have a pair of Philips K4200 headphones, they can create a wireless daisy chain between the headphones and listen to the same audio. One pair of headphones is connected to the smart device they want to listen from, and then both friends need to press the multi-function button four times to enter audio-sharing mode.

Tough, durable and foldable

Made from durable, non-toxic materials, these headphones are built to withstand the rigours of daily use by kids. When not in use, they can be folded flat for easy storage in a drawer. Or you can fold them flat and inwards, creating a compact bundle that easily fits into pockets and bags.

Philips Headphones app with parental controls

Our companion app can be used to set playtime limits, so kids don't listen for too long. Or use the app to switch these headphones from their default setting where volume is limited to 75 dB to a travel mode that limits volume to 85 dB.

Long battery life and easy wireless connections

From weekend fun to homework, these headphones keep up with up to 45 hours of play time from a full charge (which takes 2 hours via the included USB-C cable). A dedicated BT button on the headphones makes it easy for kids to pair with their devices, and multipoint connectivity lets them connect to more than one device at once.

Clear calls with friends and family

A built-in microphone lets kids take calls with family and friends. A dedicated mic picks up the sound of their voice, while a noise-reduction algorithm quietens some of the background noise from the world around them.

Warm, natural sound. Philips sound signature

From films to music, they'll love what they hear! These on-ear kids' headphones feature large 32 mm drivers, tuned to the Philips sound signature. Whatever they're into, they'll enjoy a warm, natural sound with deep bass.

Thoughtful design. Responsible packaging

These headphones feature recycled materials, while our plastic-free packaging uses FSC-certified recycled cardboard and soy-based ink.

Techninė specifikacija

Performance	
Product type	Headset
Wearing style	Head-band
Recommended usage	Calls/Music
Headset type	Binaural
Product colour	Orange, Purple, Rose
Volume control	Button
Control unit type	On-ear control unit
Foldable	Yes
Cable length	0.2 m
Protection features	Dust resistant, Overcharge protection, Overheating protection
Backlight	Yes
Bone conduction sensor	No
Ports & interfaces	
Connectivity technology	Wireless
3.5 mm connector	No
6.35 mm connector	No
USB connectivity	Yes
Bluetooth	Yes
Bluetooth profiles	A2DP, AVRCP, HFP
Bluetooth version	5.4
RF connectivity	Yes
Wireless range	10 m
Headphones	
Ear coupling	Supraaural
Maximum input power	20 mW
Acoustic system	Closed

Headphone frequency	20 - 20000 Hz
Impedance	32 Ω
Headphone sensitivity	112 dB
Driver unit	3.2 cm
Driver type	Dynamic
Noise canceling	No
Noise reduction	Yes

Microphone

Microphone type	Built-in

Battery

Battery operated	Yes
Battery type	Built-in battery
Battery capacity	300 mAh
Continuous audio playback time	45 h
Talk time	19 h
Battery recharge time	2 h
Standby time	4320 h

Weight & dimensions

Width	160 mm
Depth	40 mm
Height	180 mm
Weight	129 g

Packaging data

Package width	188 mm
Package depth	46 mm
Package height	217 mm
Package weight	262 g

Packaging content

AC adapter included	No
Audio adapters included	No
Cables included	USB Type-C
Ear pad material	Faux leather

Technical details

Warranty period	2 year(s)
