Pagrindinės savybės

- ✓ RIGHT ANGLE LIGHTNING CABLE: 3ft (1m) USB-C to Lightning charging cable features a right angle Lightning connector; Ideal for tight spots allowing the cable to run flush with the device; Reduces strain on the port and connector vs. a straight cable
- ✓ RUGGED DESIGN: USB Type-C to Lightning cable reinforced with aramid fiber for increased tensile strength; Tested to withstand 10000+ insertions and 5000+ bend cycles at 180° angle; Durable TPE jacket, connector body/shell, and strain reliefs
- ✓ FAST CHARGE AND SYNC: Fast charging of up to 3A from a USB port or Quick Charge enabled port/power adapter; This high-quality cord is designed to charge and sync Lightning devices
- ✓ APPLE MFI CERTIFIED: Lightning adapter cable guarantees reliable fast charge and sync from a USB Type C charging port; For Lightning devices including iPhone 14 Pro/14/13 Pro/13/12 Pro/12/Max/Mini, iPhone 11 Pro/11, iPhone XR, iPad Air, iPad, iPad Mini
- ✓ SPECS: Length: 3ft (1m); Color: Black; Connectors: Male USB-C to Male Lightning; Performance: USB 2.0; Braid Material: Aramid Fiber; Power: Up to 3A; Jacket Type: TPE; Shielding: EMI Protection with Aluminum/Mylar

Aprašymas

Connect and charge an Apple Lightning-enabled device, using a rugged right angle cable

Establish a right angle connection to a Lightning-enabled device (e.g., iPhone, iPad, iPad Mini, and some iPods) and to a USB Type-C power source, using this 3ft (1m) Durable USB-C to Lightning cable.

Built for Daily Use

The durable Lightning charging cable features aramid fiber reinforcement that enhances tensile strength, abrasion resistance, and resistance to cable stress. This reinforced cable is able to flex without over-stretching. In addition, the connectors feature metal shells covered in fully-molded TPE for improved connector longevity.

The USB Type-C to right-angled Lightning cable has been designed to prevent cable/connector strain. The extra-long strain relief moldings have been assessed to withstand over 5,000+ bend cycles at a 180° angle.

Apple Certified

The durable USB-C to right-angled Lightning cable supports USB 2.0 (480Mbps) specifications. It is Apple MFi certified which guarantees up to 3A fast charging and reliable data sync from USB-C charging ports.

This product is backed for 2 years, including free lifetime 24/5 multi-lingual technical assistance.

Techninė specifikacija

Features	
Cable length	1 m
Connector 1	USB C
Connector 2	Lightning
Product colour	Black
Connector 1 gender	Male
Connector 2 gender	Male
Connector 1 form factor	Straight
Connector 2 form factor	Angled
USB version	USB 2.0
Maximum data transfer rate	480 Mbit/s
Connector contacts plating	Nickel/Gold
Jacket material	Thermoplastic elastomer (TPE)
Cable shielding	Aluminum mylar foil
AWG wire size	32/22
Output current (max)	3 A
Plug and Play	Yes
