Pagrindinės savybės

- ✓ 1.8 m
- ✓ CEE7/7 Angled Male
- ✓ C13 coupler Angled Male
- ✓ 0.75 mm²
- ✓ Black
- ✓ 1 pc(s)

Aprašymas

Space-saving connection in tight spaces: The left-angled C13 cold appliance plug enables optimum cable routing behind devices or in racks.
Reliable power supply: The CEE 7/7 safety plug ensures a secure connection to the European power grid up to 250 V.
Ready for professional applications:VDE-certified H05VV-F cable with 3-pole design for use in IT and industrial environments.
Rugged and durable: Encapsulated plugs ensure a high load capacity and mechanical stability.
Universally applicable: Suitable for PCs, monitors, printers and other devices with a C13 connection.

The InLine® power cable with angled C13 cold appliance plug and CEE 7/7 safety plug ensures a reliable power connection for a wide range of devices in professional use. The left-angled design of the C13 plug makes the cable ideal for applications with limited space, such as in 19" racks, under desks or for installations close to walls.
The three-core H05VV-F cable used complies with VDE certification and offers a maximum current consumption of 10 A at a mains voltage of 250 V. This makes it ideal for demanding IT environments and industrial applications. The molded plugs provide additional stability and protection during repeated use.
Typical areas of application are personal computers, monitors, printers or AV hardware where a secure power connection with standard-compliant cable routing is required. The cable combines reliability, safety and flexibility in a practical design.

Cable type: H05VV-F 3G
Connection A: CEE 7/7 earthing contact plug

Connection B: IEC 60320 C13 IEC plug, angled left
Certification: VDE
Color: Black

Techninė specifikacija

Features	
Product colour	Black
Connector 1 gender	Male
Connector 2 gender	Male
Cable length	1.8 m
Connector 1	CEE7/7
Connector 2	C13 coupler
Connector 1 form factor	Angled
Connector 2 form factor	Angled
Connector 1 lockable	No
Connector 2 lockable	No
Conductor cross section	0.75 mm²
Weight & dimensions	
Weight	198 g
Packaging data	
Quantity per pack	1 pc(s)
Package width	174 mm
Package depth	245 mm
Package height	53 mm
Package weight	198 g
Package volume	2300 cm³
Matmenys ir svoris	
Svoris	1,21kg
