Aprašymas

HDMI® Video over Cat5e or Cat6 |Multiple Sources to Multiple Displays | Mobile Control App

This HDMI over IP extender kit distributes video to a remote location, over your local area network (LAN) and Cat5e or Cat6 Ethernet cabling. By combining this kit with additional receivers (sold separately) and an Ethernet switch (sold separately) you can distribute an HDMI source to multiple locations and create video walls using several remote displays and receivers in the same location.

You can also use multiple transmitters on the same network to distribute different video sources or connect the transmitter directly to a receiver at up to 330 ft. (100 m), in a point-to-point setup. Remote control of serial devices is supported through RS-232 extension.

Resolutions up to 1080p, with Audio

With support for video resolutions up to 1080p (1920 x 1080 at 60Hz), the transmitter also supports digital and analog audio to the receiver and analog audio from the receiver to the transmitter.

Mobile Control Through a Free App

The kit includes an easy-to-use online app to manage your IP video distribution.

The app is available on iOS for an iPhone or iPad, and Android for a smartphone or tablet.

Download the StarTech.com Video Control software to manage your IP video distribution.

NOTE: Your router must support IGMP snooping. Please refer to your network switch or router documentation to ensure IGMP snooping is supported and enabled.

Hassle-Free Installations

The HDMI transmitter/receiver kit includes optional shelf-mounting hardware. It uses Cat5e or Cat6 cables and works with existing network infrastructures, eliminating the expense of running proprietary cables.

ST12MHDLAN2K is backed by a StarTech.com 2-year warranty and free lifetime technical support.

Techninė specifikacija

Features	
Type	AV transmitter & receiver
Maximum resolution	1920 x 1080 pixels
Cable types supported	Cat5e, Cat6
Maximum transfer distance	100 m
Maximum refresh rate	60 Hz

Audio output channels	7.1 channels
LED indicators	Link, Network, Power, Status
Supported video modes	720p, 1080p
Supported graphics resolutions	1280 x 720 (HD 720), 1280 x 768 (WXGA), 1280 x 800, 1360 x 768 (WXGA), 1440 x 900, 1600 x 900, 1680 x 1050 (WSXGA+), 1920 x 1080 (HD 1080)
Rack mounting	Yes
Daisy chain	Yes
Rubber feet	Yes
Product colour	Black
Ports & interfaces	
RJ-45 input ports	1
RJ-45 output ports	1
HDMI in	1
Number of HDMI outputs	1
Audio input	2 x 3.5 mm
Audio output	2 x 3.5 mm
RJ-11 ports quantity	4
3.5 mm (1/8-inch) in	Yes
3.5 mm (1/8-inch) out	Yes
Power	
AC input voltage	100 - 240 V
Operating voltage	12 V
Input current	0.6 A
Output current	1.5 A
Power consumption (typical)	10 W
External power adapter	Yes
Power plug type	Type M
Operational conditions	
Operating temperature (T-T)	0 - 40 °C
Storage temperature (T-T)	-10 - 60 °C
Operating relative humidity (H-H)	0 - 80%
Weight & dimensions	
Width	118 mm
Depth	131 mm
Height	31 mm
