Aprašymas

Every Day is a New Adventure
Learn. Explore. Discover.
Built for curious young minds, LINK Mini Kids combines durable protection, creative tools, and smart learning features—creating a safe and engaging space where kids can learn, play, and discover something new every day.

Built Tough for Little Adventures
Kid-Proof Protective Case
Designed with an integrated protective case, LINK Mini Kids offers stronger protection than typical removable tablet covers. The reinforced structure helps shield the screen and body from everyday drops, making it durable enough for daily use and little adventures.

Carry. Stand. Play.
2-in-1 Handle & Stand Design
The ergonomic handle is designed for little hands to grip easily and carry safely. It also folds into a sturdy stand, providing comfortable hands-free viewing for learning, entertainment, and creativity anywhere.

A Safe World for Learning and Fun
Google Kids Space
LINK Mini Kids supports Google Kids Space, a colorful digital playground where kids can discover apps, books, games, and videos tailored to their interests—encouraging them to explore new ideas and learn through fun and engaging experiences.

Safer Digital Time for Kids
Smart Parental Control
Parents can set content restrictions and usage limits to help kids build healthier screen habits—creating a safer and more balanced digital environment for learning, exploration, and fun.

Included Stylus for Creativity

LINK Mini Kids comes with a kid-friendly stylus that lets children draw, sketch, and express their imagination freely. A dedicated storage slot built into the protective case keeps the stylus secure and easy to carry—so creativity is always ready whenever inspiration strikes.

Clear, Bright, and Ready to Explore

7-inch IPS Eye-care Display

The 7-inch IPS display delivers clear visuals and comfortable viewing for everyday learning and entertainment. With smooth multi-touch and balanced brightness, kids can easily read, watch, and explore their favorite content.

Gentle on Young Eyes

Eye Comfort Display

With TÜV SÜD Low Blue Light Certification, Night Light Mode, and Dark Theme, the display helps reduce eye strain—creating a more comfortable viewing experience for reading, watching cartoons, or learning, especially in the evening.

Capture Every Little Moment

2MP Front + 5MP Rear Cameras

Take fun selfies, enjoy video calls with family and friends, and capture photos and videos of everyday adventures. Turn smiles, discoveries, and little moments into memories worth keeping.

Turn Curiosity into Discovery

Smart Google Lens

Kids can capture anything that sparks their curiosity—whether it’s an insect, a book, or a new word—and instantly learn more through smart visual search with Google Lens.

Smooth Performance for Learning and Play

Quad-Core Rockchip RK3562 Processor

Built with the quad-core Rockchip RK3562 processor, LINK Mini Kids delivers smooth and reliable performance for learning apps, games, and videos—making learning and play smooth and enjoyable.
