Pagrindinės savybės

- ✓ Office
- ✓ USB Mechanical
- ✓ Full-size (100%) Numeric keypad
- ✓ Black
- ✓ 1 pc(s)

Aprašymas

Boost your productivity, make a stylish IT choice, and get integrated security features with the HP USB Slim Smartcard Keyboard, which has a built-in smart card reader and is designed to complement the latest HP Business PCs.

Features

Bold redesign
- Pair your PC with a sleek, restyled, reduced-size keyboard that packs a familiar layout, function keys, and number pad into a space-saving design. Updated key light indicators alert you when Caps lock, Num lock, and Scroll are on or off.

Smart security
- Get a smart card reader that’s conveniently located in line of sight at the top of the keyboard to help you remember to take your card out. Compatibility with Class A, B, and C smart cards helps prevent hacking and firmware changes in the keyboard.

Quiet and durable
- Keep your work environment quiet with lubricated keys, and breathe easy when minor spills happen with the built-in spill drain that makes the keyboard easy to clean.

USB connectivity
- Easily connect the keyboard to any USB port on your PC. The included 6 ft (1.8 m) USB cable gives you plenty of room to move the keyboard
