TKL H-Mech Keyboard

Immerse yourself in the action with our TKL keyboard equipped with H-Mech RED technology, which combines the fast and precise feel of mechanical switches with the smoothness and durability of membrane keyboards. Experience unrivaled response with every keystroke and dominate the battlefield!

FRGB LED lighting

The FRGB LED lighting system allows you to match your keyboard to your setup perfectly. Bring your gaming setup to life with an explosion of colors and create a unique atmosphere in every game.

RGB Flow Mouse

The ultra-light and compact RGB mouse combo MCP-RGB3 features vibrant dynamic RGB Flow lighting and an optical sensor of up to 3200 DPI, allowing you to switch between 800/1200/1600/3200 DPI with its on-the-fly switch button. Create a unique atmosphere in your gaming space and enjoy exceptional performance in every game, while maintaining complete control of your movements.

Lightness and Precision

With its ultra-light and ergonomic design, this mouse is equipped with HUANO switches that provide a precise and long-lasting click with every press. Its ergonomic design and millimetric precision will provide you with the optimal comfort and control you need during long gaming sessions.

FRGB Rainbow Headphones. Immersive Sound

Equipped with FRGB Rainbow lighting, 50mm neodymium drivers and a flexible microphone that provides clear and crisp sound, you will enjoy immersive ultra-bass HI-FI sound and clear team communication. In addition, the headphones feature passive noise-cancelling ear cushions that will isolate you from the outside world so you can fully concentrate on the game.
