Tested quality
Make a safe choice with our tested safety and 10-year warranty: exacting stress, stability and functional tests guarantee high quality standards

Fully mobile monitor holder
For an ergonomic workstation: This monitor holder adapts to your personal requirements and posture. Whether you need stepless height adjustability, swivel and tilt functions, pull-out capability or portrait or landscape formats, this is how ergonomics works in the office and home office

360° rotation
Full-screen rotation: 360° rotate for optimum orientation, perfect for landscape and portrait orientations for special software requirements – simply rotate the monitor depending on the task, program and comfort

Integrated cable management
For tidy workstations: Cable management guides the monitor cable tidily behind the screen, avoiding cable spaghetti and saving space. The cable guide also protects the cable against breakage thanks to strain relief

Simple assembly
Fast and straightforward desktop installation: The monitor holder is attached to the desk in an instant with the clamping screw. VESA makes installing the screen easier - first put the VESA plate on the monitor, then hook it in the screen holder, and you're done

Detachable VESA plate
Easy installation of the screen - first put the VESA plate on the monitor, then hook it in the screen holder, and you're done

Clamping or drilling
Drill-free clamp mounting or fixed by drilling: Thanks to a wide range of fastening material, the device can be perfectly positioned anywhere – with or without drilling, the choice is yours
