Pagrindinės savybės

- ✓ HIGH RESOLUTION Immerse yourself in razor-sharp images: Once 8K@30 Hz or twice 4K@60/30 Hz via two HDMI ports for an optimal working environment, depending on the performance of your host computer
- ✓ MULTI-TOOL This mobile DockingStation fits in any trouser pocket. High-quality aluminium and resistant materials make it a robust travel companion that always has the right connection at hand
- ✓ WELL CONNECTED No matter how you turn it, the twist-proof USB Type-C connector fits immediately and host computer and DockingStation are connected. Data transfer, video and audio output as well as power supply are available via only one connection with DP Alt Mode function
- ✓ VIDEO TECHNOLOGY With the DP Alt Mode Technology of this DockingStation, the graphic signals of your host computer are passed through directly, provided that it has the DisplayPort Alt Mode functionality. For maximum performance and best connection
- ✓ OPERATING SYSTEMS Our device works smoothly with Windows, macOS and Chrome OS. No driver installation required if your host computer supports this technology. Just plug in and go

Aprašymas

Seamless Integration & Con- nectivity

Navigate seamlessly between devices and enjoy the perfect com- plement both at home and on the move. Equipped with plenty of USB ports for

external devices, the product offers optimal versatility, secure and stable Gbit LAN for fast connections and headset jack included.

Ready for the future: Experience 8K quality!
8K resolution is the future of picture quality, and this device is already geared towards it. Connect two 4K monitors or immerse yourself in the breathtaking clarity of a single 8K display. From detailed graphics tasks to cinema experiences. Taking your performance to a new level.

Reliable display transmission
With DisplayPort™ Alternate Mode, we define a reliable and high- quality way to transmit graphics signals from your host device. This approach ensures seamless visual transmission and guarantees that every image, every colour and every detail is displayed as intended.

Techninė specifikacija
