- ✓ Plug and Play USB-C Connectivity

## Aprašymas

**Simple setup. Superior sound.**

HyperX SoloCast 2 – an upgraded USB gaming microphone designed to make professional-grade voice capture simple and convenient. A smarter, sleeker upgrade from the previous iteration, it's been designed from the ground up to offer all the features you loved before, now with even more functionality, without the need for extra accessories. With a streamlined, compact form factor, this mic is fully functional and ready for use. It features an internal shock mount, built-in pop filter, and integrated mounting threads, eliminating the need to add separate accessories. Whether you're chatting with teammates or sharing gameplay, SoloCast 2 will simplify your setup without compromising performance. Unlock audio
