Aprašymas

Form-fitting and ultra-lightweight, the 11-12” MultiFit Sleeve with EcoSmart® protects your laptop from everyday scratches or debris – whether you carry by hand or slip into another bag. The exterior protects from the dust, dirt and spills, while the non-scratch interior lining helps keep your laptop clear of scuffs and scratches. Slim and sleek and made to fit most 11-12” laptops, this sleeve is great for school or working at the closest café, having the flexibility you want and the protection you need.

The Bottle: Reborn
This bag was designed with the environment in mind. By using GRS-certified recycled materials, 7 plastic bottles were kept out of our waterways and landfills, shredded into small flakes, re-polymerised into plastic chips, then heated and spun into yarn that was woven, and sewn into the fabric of this EcoSmart bag.

Expanding Capacity
Lightweight and sleek, the MultiFit range is designed to adapt to fit your tech. The innovative neoprene-like material can stretch to fit screens up to

12” in size, allowing you to keep your devices protected with ease.
