This HDMI® to DisplayPort adapter lets you connect an HDMI video source, such as your laptop, desktop, Blu-ray™ player, or camera, to a DisplayPort monitor or projector.

Be more productive

The active HDMI to DisplayPort adapter offers plug-and-play installation, providing a hassle-free setup with no software or drivers to install. The adapter uses a USB port for power, avoiding the need for an extra power adapter. It also features a compact design that requires very little space at your workstation.

The HDMI to DP adapter lets you add a second monitor to your laptop, providing the additional screen space you need to multitask more efficiently and accomplish more in the same amount of time. It offers a definite productivity boost, and lets you view documents, spreadsheets, and web pages across multiple screens.

Enjoy Ultra HD picture quality

With support for 4K at 30Hz, you get a sharp, crisp picture that’s richer and more true-to-life than traditional HD, with far greater detail. The adapter delivers Ultra HD content to your DisplayPort monitor and supports 7.1 channel surround audio.

The adapter is backward compatible with 1080p displays, which makes it a great accessory for home, office or other workspace applications.

The HD2DP is backed by a StarTech.com 2-year warranty and free lifetime technical support.

Techninė specifikacija

Features	
HDCP	Yes
Maximum resolution	3840 x 2160 pixels
Supported video modes	1080p, 720p
Maximum refresh rate	120 Hz
Product colour	Black
Chipset	MegaChips - STDP2600
Plug and Play	Yes
Converter type	Active video converter
Operational conditions	
Operating temperature (T-T)	0 - 45 °C
Storage temperature (T-T)	-10 - 70 °C
Operating relative humidity (H-H)	10 - 85%
Certificates	
Compliance certificates	RoHS
Certification	RoHS, FCC
Weight & dimensions	
Weight	37 g
Width	23 mm

Depth	255 mm
Height	13 mm
Packaging data	
Package width	174 mm
Package depth	143 mm
Package height	33 mm
Package weight	137 g
Logistics data	
Harmonized System (HS) code	84733080
Master (outer) case width	542 mm
Master (outer) case length	338 mm
Master (outer) case height	326 mm
Products per master (outer) case	60 pc(s)
Other features	
Supported resolutions	- 1920x1200 - 1920x1080 - 1280x720
Matmenys ir svoris	
Matmenys (I × P × A)	17,00cm × 15,00cm × 4,00cm
