SAFE. is for real. SAFE. is for you. SAFE. is for dance floor mishaps, selfies gone wrong and your everyday fumbling, dropping and screen cracking. This SAFE. by PanzerGlass® screen protector made of 60% recycled material acts as a discrete airbag, protecting your phone by absorbing impacts and providing high-level scratch resistance without compromising the functionality and look of your device. It even has a smudge-free coating that reduces traces of fingerprints and grease.

Can you feel it? Love is in the air. Love for phones and the planet. It’s the new circle of phone life. When you keep your beloved phone SAFE., you can one day pass it on to another phone lover who will love it just as much as you do. Choose SAFE. and give your phone a second, third or fourth life! This is one way of working toward a more sustainable future! Another is to use less and less and LESS packaging: For this screen protector, we’ve reduced the paper packaging by 33%*. So, of course, this product comes in a recyclable FSC™-certified box.

Everybody deserves to be SAFE. Without hassle, red tape, or unnecessary complexity. This screen protector comes with an EasyAligner that makes installation a piece of cake (seriously!) and to make it even easier, we’ve included step-by-step instructions as well as a QR code for quick access to our online how-to video. And remember: You just need to install the screen protection once! Then you’ll never again fear the sight of your phone tumbling to the ground screen first. This may not happen, but if it does, you’ll regret not having clicked “add to cart”.

No screen protection is worth poor screen performance! That’s why this screen protector comes in Ultra-Wide Fit, meaning it covers the front surface of your phone, providing a complete and crystal-clear view of your screen. It even leaves a little room around the edges to give you the freedom to upgrade your protection with a SAFE. by PanzerGlassTM case. And if you want 360-degree protection, combine the screen protector and case with a SAFE. by PanzerGlass® camera lens protector.

Keep your phone SAFE.
