Aprašymas

XREAL HUB adapter for charging

Get ready for a new dimension of gaming and viewing experience with the XREAL adapter! Forget about interruptions during your favorite game or movie due to a drained battery. Thanks to Power Play technology, you can simultaneously charge your smartphone and use AR glasses from XREAL for uninterrupted entertainment. The adapter is distinguished by its wide compatibility, high charging power of 45W and 120Hz support, and thanks to its compact design, it can accompany you anywhere. Forget about limitations!

Play and charge at the same time

You no longer need to worry about the power level of your console or smartphone during intense gaming or long streaming sessions. The Power Play function allows you to charge your device at the same time (from the mains or using a powerbank) while you use the AR XREAL glasses. Extend the runtime of your favorite gadgets and let your adventures in the virtual world last as long as you want - without any interruptions.

45W fast charging

The XREAL adapter offers 45W fast charging to power your devices at dizzying speeds. Whether you're using a Steam Deck console, ROG Ally, or the latest iPhone 15, you can be sure your devices will be up and running in no time. With this feature, you can charge your iPhone 15 to 60% in just 30 minutes! Fast charging means less waiting and more time to do the things you love.

Enjoy impressive smoothness

Upgrade your games and movies! With support for up to 120Hz, the XREAL adapter allows you to transmit video in full quality, without any loss, making images smooth and stunningly detailed. As a result, every race, every scene and every detail will be displayed with perfect precision and colors that bring every pixel to life.

The highest level of protection

With advanced protection software, the XREAL adapter protects your devices from damage caused by power surges and other voltage problems. Even if you accidentally disconnect the power, you can continue playing without interruption. Note: for Nintendo Switch, it is necessary to connect to power while playing.

Versatile and portable

The XREAL adapter is compatible with a wide range of devices, from consoles to smartphones.

As a result, you can easily use the XREAL adapter with many of your gadgets, making it ideal for everyday use and entertainment. What's more, the adapter features a sturdy yet compact aluminum construction, making it not only resistant to damage, but also easy to carry, so you'll take it with you anywhere.
