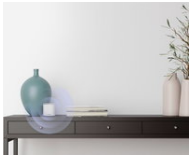
Pagrindinės savybės

- ✓ Balta
- ✓ Antenos tipas: Vidinis Antenų kiekis: 4
- ✓ WPA, WPA2, WPA3
- ✓ Paslaugos kokybės (QoS) palaikymas
- ✓ Maitinimas per Eternetą (PoE)



Aprašymas

Whole home coverage, Wi-Fi 6 speeds, one simple network.
Covr provides seamless, reliable Wi-Fi that covers every corner of your home. Designed for today’s device-dense homes, the Covr Wi-Fi 6 solution is perfect for 4K streaming, VR gaming, video calling, and staying connected anywhere at home.

AX1800 Next-Gen Wi-Fi 6

Designed for today’s device-dense homes, ideal for 4K streaming, VR gaming, video calling, and keeping all your smart home devices connected.

Smart Roaming

Seamlessly connects your devices to the strongest signal as you move from room to room, eliminating the need for them to disconnect and reconnect.

Smart Steering

Automatically steers your devices to the best wireless band so you’re always connected to fast, reliable Wi-Fi throughout your home.

OFDMA

Small data packets destined for multiple devices are transmitted together and never have to queue up again. Perfect for bandwidth-hungry devices battling for bandwidth.

Simple Setup

Covr Points come pre-paired out of the box, just plug them in and get started.

Parental Controls

Assign devices to family members’ profiles to individually block devices and websites, set schedules for access, and turn off Wi-Fi.

Add more coverage

Covr is a scalable solution. Add extra Covr Points where you need to expand your network for more coverage.

Works with your Router

Simply connect Covr to the router or gateway provided by your ISP to add whole home coverage to your network.

Revolutionary leap for hyperconnected homes.
Wi-Fi 6 is the next generation standard in Wi-Fi technology. Wi-Fi 6, also known as "802.11ax”, builds and improves on the current 802.11ac Wi-Fi standard. Watch, game and browse faster from every room in the house.

Capacity

Cutting-edge OFDMA tech provides higher capacity so you can connect more devices around your home.

Efficient

Built-in power amplifiers, beamforming, and MU-MIMO push your internet to work smarter.

Pateikta prekės informacija yra orientacinio pobūdžio. Techninės savybės, nuotraukos, aprašymai ir kaina gali keistis be išankstinio perspėjimo. Faster

Enjoy lag-free gaming, streaming and browsing with x2 bandwidth, 1024-QAM and x4 simultaneous streams that turbo boost speeds.

COVR your Home in Seamless Mesh Wi-Fi.
From 1-storey flats to 4-storey houses, and basements to garden decks — Covr your whole home in Wi-Fi for seamless coverage that will eliminate Wi-Fi dead zones in those hard-to-reach areas.

More speed, coverage, capacity and efficiency - than ever before.
Next-gen Wi-Fi 6 is perfect for smart homes where you need flawless connectivity on multiple devices at the same time - allowing you to stream, game or work, without having to worry about buffering, dropouts or interference.

Next-gen Wi-Fi experience.
Wi-Fi 6 brings a host of new technologies to create the best wireless networking experience to date. It comes with 1024 QAM to boost throughput to devices by up to 25%.

The new OFDMA (Orthogonal Frequency Division Multiple Access) and BSS Coloring technology boost network capacity, range and speed by improving efficiency of the entire network.

Always connects to the strongest signal.
Covr Points automatically connect your devices to the strongest possible signal available thanks to Covr’s Smart Roaming and Smart Steering technology, so you stay connected as you move from room to room.

Bye-bye buffering!

Enjoy voice and video calls with your family and friends without cut-outs, stream 4k movies and boxsets in any bedroom without buffering, and download files whilst you live stream your latest gaming adventure.

You’re the boss.
Create family-friendly internet by taking control of your network. Set clear online boundaries and schedules so you have less complaining and more control.

Full Control

Find out which devices are connected to Covr, created schedules, check login credentials, reboot the system hand-free

Parental Controls

Manage internet access with profile-based parental controls.

Wi-Fi Guest Zone

Set guest logins for when you have visitors and block any devices you don’t know.

Easy setup, easy-to-use app.
Covr Points come pre-paired and work straight out of the box, so you just need to plug them in to get started.

The D-Link Wi-Fi app gives you the power to view your network status at a glance and manage it using your smartphone or tablet. There’s also an integrated Internet test that lets you measure the true speed of your Router-to-ISP connection, so you can always know what speed you’re getting.

Fits right in at your smart home.
Make your home life easier by setting up mydlink home automation actions combinations. Turn a light on automatically when motion or sound is detected or send an alert to your mobile. Creating ‘recipes’ of actions get your smart home devices interacting with each other to give you more control and save you time.

The camera is fully compatible with Amazon Alexa and Google Home/Chromecast devices so you can easily see what’s happening at home when your hands are full.

Neat and discreet design.
COVR’s small, round-edged, discreet features compliment your home’s surroundings. No protruding antennas. No flashing lights everywhere. Covr is perfect for bringing the internet with you into hobby sheds, cabins, or even your garden for summer barbecues.

Techninė specifikacija

Konstrukcija	
Produkto spalva	Balta
Antenos tipas	Vidinis
LED indikatoriai	Energija, Būsena
Antenų kiekis	4
Belaidžio interneto funkcijos	
Tinklo standartai	IEEE 802.11a, IEEE 802.11ac, IEEE 802.11ad, IEEE 802.11ax, IEEE 802.11az, IEEE 802.11b, IEEE 802.11g, IEEE 802.11h, IEEE 802.11k, IEEE 802.11n, IEEE 802.11v
Apsaugos algoritmų palaikymas	WPA, WPA2, WPA3
Savybės	
Paslaugos kokybės (QoS) palaikymas	Taip
MIMO	Taip
Ryšys	
Ethernet LAN (RJ-45) portų kiekis	1
Maitinimas per Eternetą (PoE)	Taip
Eterneto LAN duomenų perdavimo norma	10,100,1000 Mbit/ai
Energijos valdymas	
AC įėjimo įtampa	12 V
Sertifikatai	
Sertifikavimas	CE, FCC, IC
Aplinkos sąlygos	
Darbo temperatūros diapazonas (TT)	0 - 40 °C
Sandėliavimo temperatūros norma (T-T)	-20 - 65 °C
Darbo santykinės drėgmės diapazonas	10 - 95%
Sandėliavimo santykinis drėgmės diapazonas	5 - 95%
Svoris ir matmenys	
Plotis	104 mm
Ilgis	111,8 mm
Aukštis	104 mm
Svoris	263 g
