Aprašymas

Great sound with low noise

When connected via the Multi Interface Shoe of a compatible camera that features a built-in digital audio interface, the audio signal is directly transferred to the camera in digital form so that no degradation can occur. A simple switch also provides compatibility with a wide range of cameras using an analog interface.

Versatile connectivity

Two XLR/TRS combo jacks and one 3.5-mm stereo mini microphone jack are provided for input. The XLR/TRS combo jacks are switchable for line input, microphone input, or microphone input with 48 V phantom power.

Flexible setup

A high degree of flexibility is provided for use with professional rigs and camera cages. Audio extension cables are supplied, allowing the location of the XLR adaptor on your rig to be adjusted as required.

Cable-free connection

Simply clip the XLR adaptor into the Multi Interface Shoe on a compatible camera for direct power and audio connections without the need for extra cables or batteries. Sony's Multi Interface Shoe offers intelligent connectivity and control for a variety of accessories, providing maximum flexibility and mobility for α system shooting.

Mechanical noise suppression

Pateikta prekės informacija yra orientacinio pobūdžio. Techninės savybės, nuotraukos, aprašymai ir kaina gali keistis be išankstinio perspėjimo. An advanced shock and vibration suppressing design effectively minimizes low-frequency handling noise which can degrade audio quality. The option for direct on-camera mounting, without additional connecting cables, further reduces the risk of handling noise ruining your audio capture.

Comprehensive control

Comprehensive controllability at the recording stage can greatly facilitate the post processing workflow. Record level (AUTO/MANUAL), record level link (INPUT 1 – INPUT 2), attenuator, and low-cut filter (100/300 Hz) controls are provided.

Super-directional shotgun microphone included

A super-directional monaural microphone (ECM-XM1) and wind-noise-reducing fur-type wind screen are supplied.

Techninė specifikacija

Technical details	
Product type	Flash adapter
Camera brands compatibility	Sony
Product colour	Black
Packaging content	
Package type	Box
Matmenys ir svoris	
Svoris	0,76kg
