The case is made with 60% recycled silicone and a soft-touch coating to wrap your device in everyday elegance and eco-love. Inside, a velvety microfiber lining gives your phone the care it deserves, while the raised bumper keeps your screen protected from fatal face-down falls.

But it’s not just about the looks. The scratch and shock-resistant design means you can dance through life without worrying about scratches or tumbles. Every angle and corner has been drop-tested at 3.6 meters – so go ahead and live a little louder.
