Aprašymas

The gaming headset with 40mm Hi-Res drivers delivers clear and powerful sound with a wide frequency range. Lightweight fabric and memory foam earpads ensure comfort during long sessions, even when wearing glasses. The detachable unidirectional microphone guarantees clear communication during gameplay.

Durable and lightweight design. The low weight of the headset (only 225g) ensures comfortable use for hours on end.

Powerful 40mm drivers with Hi-Res Audio certification provide clear and detailed sound, allowing you to fully immerse yourself in gaming or enjoy your favorite music.

True stereo sound — thanks to the unique driver cavity design. The isolated driver cavity reduces sound distortions and vibrations, ensuring cleaner and more accurate audio reproduction.

The detachable high-sensitivity microphone ensures clear and natural sound during team communication or streaming. You can easily remove it, adding flexibility to everyday use.

Soft fabric ear cushions with memory foam filling adapt to the shape of your ears, providing maximum comfort and excellent ventilation. They prevent discomfort even in hot conditions.
