Be free to explore the world, dance through the night and express who you are with your friends in one hand and your phone in the other. With this 3-in-1 protection pack from SAFE. by PanzerGlass® your precious phone is safe from pocket plunges, dance floor mishaps, selfies gone wrong, and your everyday fumbling, dropping and screen cracking. The pack features a screen protector made of 60% recycled material, a soft TPU case made of 100% recycled plastic and a tougher than tough camera lens protector. It’s 360-degree protection for a 360-degree life!

No screen protection is worth poor screen performance! That’s why the screen protector comes in Ultra-Wide Fit, meaning it covers the front surface of your phone, providing a complete and crystal-clear view of your screen. The soft, transparent case is wireless charging compatible (of course!) and shields your phone effectively while giving you full access to all its functions. No compromise there either! And to top it all off, the camera lens protector keeps your high-tech camera lenses SAFE. and READY to capture the beautiful moments in life in beautiful scratch-free photos.

Can you feel it? Love is in the air. Love for phones and the planet. It’s the new circle of phone life. When you keep your beloved phone SAFE., you can one day pass it on to another phone lover who will love it just as much as you do. Choose SAFE. and give your phone a second, third or fourth life! This is one way of working toward a more sustainable future! Another is to use more sustainable packaging: This protection pack comes in a box made of recyclable FSC™-certified paper.

Everybody deserves to be SAFE. Without hassle, red tape, or unnecessary complexity. This protection pack is so easy to install that you can do it even if you’re all thumbs! Start by applying the screen protection – you have up to 200 tries, although one is usually enough. And when you’re done, apply the camera lens protector and click on the case. That’s it!

Now you’ll never again fear the sight of your phone tumbling to the ground. This may not happen, but if it does, you’ll regret not having clicked “add to cart”.

Keep your phone SAFE.
