FLAWLESS INSTALLATION EVERY TIME. Installation has never been easier with the new FASTFIT IN-A-BOX system. Say goodbye to alignment issues and dust intrusion. Simply place your phone face-up, pull the tab, and enjoy a flawless installation every time.

Private messages. Bank details. PIN codes. With this PanzerGlass® 2-Way Privacy Screen Protector, your personal info is safe from the prying eyes of people sitting next to you on the train, in the coffee shop, or at the office.

This PanzerGlass® screen protector is made of 60% recycled glass. The specially designed privacy filter renders the content of your screen virtually invisible to everyone except you. It also has a smudge-free coating that reduces traces of fingerprints and grease to give you a clear – but still private – view of your screen.

The screen protector is Ultra-Wide Fit, which means it covers the front surface of your phone, providing a complete view of your screen while leaving a little room around the edges for a PanzerGlass® case, for example, a fearlessly fashionable case from CARE by PanzerGlass®. And if you’re thinking: “What if my camera lenses get scratched?” Well, help is just a few clicks away: Combine your screen protector and case with PanzerGlass® PicturePerfect or Hoops®.

We’ve included step-by-step installation instructions as well as a QR code for quick access to our online how-to video. And remember: Once installed, you’ll never again fear your phone falling screen-first. This might not happen, but then again … it might!
