Aprašymas

Description

Space-saving, wireless Bluetooth label printer that can be taken anywhere. Create order at any time and always keep track of things with label labeling. This versatile helper can be used in companies, stores, schools, workshops and in the home, etc. use. Discover the countless application possibilities of the Peach PE110 label printer. The label printer is based on black and white direct thermal technology. This means that printing takes place without inks and toner and the font is always black. All you need for printing are our label tapes. A white (PE101) roll is supplied with the purchase of the label printer. Other colors such as transparent (PE102), light blue, yellow and pink can be ordered in a multipack (PE103). Choose between more than 90 fonts, 10 languages and various templates such as food, medicine, animals and school, ready for you. Suitable for home use to organize your clothes, food storage and cosmetics. Also ideal for office use for office organization such as drawer labeling, notebook labels and price tags. In school use it is used to identify personal items, name tags.
