Pagrindinės savybės

- ✓ The 2-gearbox and 20 torque presettings deliver suitable power and speed for every application
- ✓ Clean, ergonomic design for comfortable handling
- ✓ LED light for optimal illumination of the work area
- ✓ Ideal for drilling projects in wood, metal and plastic, as well as for screwdriving
- ✓ Power for ALL: One battery and charger for an entire Home & Garden tools system

Aprašymas

Lightweight and compact design meets smooth power for work in a variety of materials
This lightweight and compact drill driver provides the ideal mix of power and versatility. The ergonomic design offers comfortable handling. Always using the right amount of power on every task is possible thanks to 20 different torque settings and a maximum setting. Its 2-speed planetary gearbox provides a long lifetime and good working progress. The UniversalDrill 18V is the perfect choice for drilling and screwdriving in wood, metal and plastics.

Two gears for consistently optimal power
The 2-speed gearbox enables choosing the right power setting for each job. Its low-speed first gear is ideal for screwdriving and drilling larger diameters, while its second gear allows a quick drilling progress at small diameters.

Precision made easy
20 torque stages for maximum precision: simply select the desired torque on the pre-setting ring for individual adjustments on different materials. Once set, the max final setting ensures optimum power.

Quick and easy drill and bit change
The single-sleeve chuck design combined with an automatic spindle lock enables one-hand operation for quick and easy drilling and bit changes.

Power for ALL cordless systems from Bosch

Whether drilling, cleaning or gardening. Switch quickly and easily between different devices with the 18 V Power for ALL battery from Bosch. For even more flexibility the battery fits also in tools of other Power for ALL battery alliance partner.

Techninė specifikacija

Specifications	
Sandėlio grupė	Powertools & Garden > Drilling Machines [+781][-271]
Features	
Drilling	Yes
Screwdriving	Yes
Product design	Pistol grip drill
Chuck type	Keyless
Adjustable speed	Yes
Adjustable torque	Yes
Built-in light	Yes
Product colour	Black, Green
Performance	
Chuck capacity (max)	1 cm
Number of gears	2
Idle speed (max)	1450 RPM
Drilling diameter in wood (max)	3 cm
Drilling diameter in steel (max)	1 cm
Idle speed (min)	440 RPM
Idle speed (1st gear)	440 RPM
Idle speed (2nd gear)	1450 RPM
Torque settings	21
Torque (min)	23 N·m
Torque (max)	40 N·m
Maximum torque (soft applications)	23 N·m
Maximum torque (hard applications)	40 N·m
Screw diameter (max)	8 mm
Power	
Power source	Battery
Battery capacity	1.5 Ah
Battery voltage	18 V
Weight & dimensions
