Aprašymas

True Wireless headphones

Reduced to the only thing that matters: comfortable earbuds without tangling cables for even more freedom

Automatic switch-on & pairing

Great music straight away: when the headphones are removed from the charging box, both earphones activate automatically and connect to each other and the mobile phone

Touch Control
Touch control: The touch sensor enables intuitive operation

Direct access to Siri and Google Assistant

Supports the voice assistants Siri and Google Assistant: Bluetooth pairing and touch control allow direct access - without having to hold the smartphone

Integrated microphone

Thanks to the integrated microphone you can easily switch between music playback and call answer. So you will no longer miss a call when listening to music.
