Aprašymas

Efficient organization:11 compartments for clear sorting of small parts
Safe storage: Clip-on lid protects the contents from falling out
Compact design: Easy to store and ideal for mobile use
Rugged and durable: Sturdy plastic construction for professional use
Transparent appearance: Enables a quick overview of the contents

The InLine® small parts box is the ideal solution for professional users who require structured and secure storage of small parts. With 11 compartments, it offers sufficient space for screws, nuts, seals or other small parts that often need to be to hand in everyday working life. The clip-on lid ensures that the contents remain safely stowed away at all times. Thanks to its compact design, the box fits easily into workshop shelves, toolboxes or drawers and supports efficient working methods. The transparent look enables a quick visual inspection of the contents without having to open the box.
