Pagrindinės savybės

- ✓ SATA III 0.152 m
- ✓ Straight
- ✓ Left
- ✓ Red

Aprašymas

Make a Left-Angled Connection to your SATA Drive, for Installation in Tight Spaces

The SATA6LA1 Left Angle (90-degree) SATA Cable features a standard (straight) SATA receptacle as well as a left-angled SATA receptacle, providing a simple 6-inch connection to a Serial ATA drive, with full SATA 3.0 bandwidth support of up to 6Gbps when used with SATA 3.0 compliant drives.

The left-angled SATA connection enables you to plug in your Serial ATA hard drive in hard to reach areas or tight spaces, while the low profile and flexible design of the cable improves airflow and reduces clutter in your computer case, helping to keep the case clean and cool.

Constructed of only top quality materials and designed for optimum performance and reliability this 6" SATA cable is backed by our lifetime warranty.

As an alternative, StarTech.com also offers a SATA6RA1" text="6in Right Angle SATA cable (SATA6RA1), which provides the same simple installation as this left angled SATA cable, but allows the cable to connect to the SATA drive from the opposite direction.

The StarTech.com Advantage

- Left-angled SATA connector easily fits into hard to reach areas and tight spaces, providing flexibility to position your SATA drive as needed within your system case
- Features a thin cable design, which helps reduce clutter and increase airflow within the computer/server case, for optimum system performance
- Backed by StarTech.com lifetime warranty, ensuring a dependable connection

Techninė specifikacija

Features	
Cable length	0.152 m
Cable type	SATA III
Connector gender	Male/Male
Product colour	Red
Connector 1 form factor	Straight
Connector 2 form factor	Left
Weight	6.7 g
Packaging data	
Package width	125 mm
Package depth	225 mm
Package height	15 mm
Package weight	11 g
Other features	
Number of devices supported	1
Logistics data	
Harmonized System (HS) code	84733080
