Pagrindinės savybės

- ✓ 1 m
- ✓ Mini-USB B
- ✓ 480 Mbit/s
- ✓ Black

Aprašymas

Additional power supply via Y-design: The second USB-A connector allows additional power to be supplied via another USB port, provided that the connected device is designed for this.
Combined data and power transfer: The mini USB-B connection transfers data and simultaneously supports the power supply to external devices.
Suitable as a replacement cable: Ideal as a replacement solution for defective or lost original cables for compatible mini USB hard drive enclosures.
Passive operation without electronics: Power distribution takes place without active components, enabling simple and reliable use.
Support for older interfaces: Enables continued operation of existing hardware with mini USB connection without system conversion.

This InLine® USB mini Y-cable is used for combined data and power transmission for external devices with a mini USB-B connection. It is primarily used for external 2.5-inch hard drive enclosures that draw their power supply via the USB connection.
The Y-design with two USB-A plugs allows additional power to be supplied via a second USB port. This requires that the connected device is designed for this type of power supply. The cable itself does not provide any active power boost.
The 5-pin mini USB-B connector enables simultaneous data transfer and power supply via one interface. The cable is primarily suitable as a replacement or service cable for existing installations and supports the reliable operation of compatible devices without additional power supplies or

active components.

Host side connection: 2x USB-A plug
Device side connection: Mini USB-B plug, 5-pin
Cable type: USB mini Y-cable
Function: Data transfer and additional power supply
Operating mode: Passive
Area of application: External 2.5-inch hard drive enclosures
Note: Additional power supply only for devices designed for this purpose

Techninė specifikacija

Features	
Connector 1	Mini-USB B
Product colour	Black
Maximum data transfer rate	480 Mbit/s
Maximum data transfer rate	0.48 Gbit/s
Weight & dimensions	
Cable length	1 m
Width	15 mm
Depth	1000 mm
Height	8 mm
Weight	38 g
Dimensions (WxDxH)	15 x 1000 x 8 mm
Packaging data	
Package width	150 mm
Package depth	120 mm
Package height	15 mm
Package weight	41 g
Logistics data	
Package volume	300 cm³
