## Pagrindinės savybės

- ✓ Real-time vocal removal on any song
- ✓ Fine-tune your performance with AI vocal removal
- ✓ Seamless connection, plug in and sing

## Aprašymas

Your karaoke game is ready to go with the JBL EasySing Mics. With just a press, you can turn all of your favorite songs into instant karaoke tracks. AI Vocal Removal lets you reduce the original vocals—by 25%, 50%, or even 100%—so you can sing along at your own level, without needing special mixes or setups. Plug the USB-C dongle into your JBL PartyBox speaker*, hit play, and make it your big moment. Plus with pitch support and natural reverb, even the whistle tones will sound iconic.

Not only it is tailored to help you sound your best, it’s wireless and easy to take anywhere. And it lasts up to 10 hours, so you can keep rolling as the party becomes the afterparty. Whether you’re vibing with the crew or just singing your heart out on your own, you’re always at center stage.
