Aprašymas

BIG BUSINESS VALUE AT AN AFFORDABLE PRICE

Whether your workers are printing out price markdown labels on the sales floor or leaving a delivery notice at the customer’s doorstep, they need a mobile printer that’s fast, flexible and reliable. The ZQ320 is the little mobile printer that can do it all.

Building on the legacy of the legacy iMZ Series mobile printers, you can choose from two design models to fit the needs of your business. An inside-the-four-walls model enables associates to ring up sales anywhere in the store, prevent abandoned sales and improve the shopper experience. An outside-the-four-walls model can handle the elements, generate high quality receipts and guarantee power for the longest shift in the field. Both models offer the fastest wireless connections available; class-leading battery and power technologies for full-shift power; enterprise durability to handle everyday drops and bumps; and powerful remote management capabilities that significantly lower your total cost of ownership.

MORE VERSATILITY, MORE VALUE

With the ZQ320 you can print can print receipts, labels or both. And we offer the most charging options for maximum flexibility to meet the scalability your business needs – including large or small deployment, in-vehicle and at-home charging solutions.
