Aprašymas

Lanberg’s DisplayPort cable is the ideal solution for audiovisual transmission between multimedia devices such as PCs / laptops, monitors, TVs, NAS servers, projectors, gaming consoles and more.

The cable provides high quality of transmitted image and sound, as well as great performance. This particular video transmission cable is ideal to use indoors when watching your favorite TV shows and movies, playing online games or working on important projects, while providing uninterrupted, high-quality broadcasts for important corporate presentations.

Maximum supported resolution of this particular cable is 4k – it means this wiring solution provides the highest possible resolution and unforgettable viewing experience, while maintaining high depth of image quality and providing the users with great quality content. Use of the highest quality materials, within the manufacturing process of this product, ensures its long, uninterrupted use.
