Aprašymas

Secure a laptop, docking station, or other peripherals with this dual-locking function cable lock

The K-Slot Laptop Lock is designed to deter theft of laptops and other devices. The security lock features a 6.5ft (2m) cut-resistant steel cable, making it a durable and reliable solution for securing laptops, monitors, printers, and docking stations with a Kensington style slot.

Offers Greater Motion

The hinge allows movement in two directions - 360-degree rotation around the lock head and 90-degree swivel, allowing a laptop, dock or other device to move freely and providing added convenience when locking or unlocking.

Dual Access

Each lock comes with a 4-digit resettable combination that allows the user to set their own combination code. For simplified IT management all 10 locks are keyed alike and the pack includes a set of four keys that allow the IT administrator to bypass the user-set combinations. Lost keys can be replaced upon request with valid proof of purchase.

Secure Your Laptop

Ensure the laptop or other device is protected wherever you work. The locking cable helps to deter theft in areas with high foot traffic including a wide range of retail, commercial, educational, and institutional environments. The cable lock is compatible with devices equipped with the industry-standard Kensington lock slot (K-Slot).

Versatile Use

Ideal for use at the office or when traveling, the keyed and combination laptop lock features a strong steel cable (4.4mm diameter). To secure the device in different workspaces, the flexible cut-resistant steel cable bends to loop around a stationary post or object.

Techninė specifikacija

Features	
Product colour	Black, Steel
Best uses	Laptop
Lock type	Code
Cable lock slot type	Kensington
Cable lock security features	Like Keyed
Material	Plastic, Steel
Break strength	200 kg
Weight & dimensions	
Cable length	2 m
Width	58 mm
Height	31 mm
Weight	176 g
Packaging data	

Quantity per pack	10 pc(s)
Package width	217 mm
Package depth	238 mm
Package height	101 mm
Package weight	1.6 kg
Packaging content	10 - Laptop Security Locks 4 - Keys 30 - Lock Spacers 10 - Hook-and-Loop Strap 11 - Quick-Start Guide
Logistics data	
Master (outer) case width	524 mm
Master (outer) case length	245 mm
Master (outer) case height	266 mm
Products per master (outer) case	5 pc(s)
Matmenys ir svoris	
Matmenys (I × P × A)	24,00cm × 22,00cm × 10,00cm
Svoris	1,75kg
