Pagrindinės savybės

- ✓ Unique mobile phone protection meets elegant design: the D3O-licensed mobile phone bag with integrated card compartment is the bodyguard for your Samsung Galaxy S26+ - innovative impact protection, fall protection and scratch protection combined with a sophisticated faux leather look
- ✓ Shock-resistant corners thanks to material reinforcement for even more safety in the event of bumps and falls
- ✓ The highlight: The mobile phone with the bag lies flat on the table etc. with the small feet on the corners, creating a straight surface with the camera protection so the mobile phone does not wobble
- ✓ Non-slip, scratch-resistant faux leather with a good grip does not slide easily out of the hand, off the table or other surfaces
- ✓ Flexibility: easy to attach to your smartphone

Aprašymas

Unique mobile phone protection meets elegant design: the D3O-licensed mobile phone bag with integrated card compartment is the bodyguard for your Samsung Galaxy S26+ - innovative impact protection, fall protection and scratch protection combined with a sophisticated faux leather look

D3O - industry standard protection

High-end booklet with D3O® licence: this mobile phone case guarantees break-resistant and impact-resistant fall protection – long-lasting mobile phone protection in all situations

Drop-proof armoured cover

Drop it like it's hot: 10 times in the test! The mobile phone bag is made for the most extreme conditions - drop-proof up to a height of 3.5 m, tested and certified to military standard MIL-STD-810Hw

Scratch protection deluxe

Scratch-resistant with 4H hardness rating: tough, strong surface finish protects the back of the mobile phone against scratches and abrasions from anything in your trouser pocket, handbag or jacket pocket

Black colour gradient

All-black everything: that little black number is now also available for your mobile phone - mobile phone case with transparent colour gradient in black for the classic black look

Compatible with Qi2
The mobile phone case is compatible with Qi2 technology and Hama Qi2 chargers

Magnetic ring for perfect wireless charging
Integrated, perfectly orientated magnetic ring allows wireless charging

Particularly durable protection

All-round robust mobile phone case: high-quality faux leather for long-lasting mobile phone protection

Hidden magnetic fastener

Only opens when it's supposed to: practical case for mobile phone with hidden magnetic fastener

Camera protection through raised edges

Lay it down carefree: the raised edges on the back of the phone case provide protection for the protruding camera lenses without affecting the quality of the photos

Custom-fit

Tailor-made mobile phone case: protects what needs to be protected and leaves free what should remain free, e.g. loudspeaker and charging socket

Protected side buttons

A clean sweep: the mobile phone case also covers the side buttons - this protects against dust and enables a perfect pressure point

2 insert compartments for cards

Mobile phone case with wallet function: the 2 card compartments in the mobile phone case offer space for ID, cards, tickets, notes etc. - always at hand without having to search for your wallet

Anti-slip surface

Bumper with grip: with the anti-slip material and the ribbing on the sides, you always have a secure grip on the mobile phone case

Imitation leather with anti-fingerprint effect

Fingerprint-resistant surface: the high-quality faux leather of the mobile phone case avoids ugly streaks from fingerprints - and instead simply always looks fresh and clean

Plastic-free

Packaging with a clear conscience: our packaging is 100% plastic-free, enabling us to reduce plastic waste and increase its recyclability

FSC

FSC-certified: the paper and cardboard used in our packaging comes from sustainable forest management - enabling us to take a resources-sparing approach to the raw material of wood
