Aprašymas

The **UVC-G4 Doorbell Pro PoE Kit**, manufactured by **UniFi**, offers a premium solution for your home security and communication needs. This innovative doorbell features an integrated **PoE** system and includes the **UP-Chime PoE**, allowing for a hassle-free plug-and-play installation. With dimensions of **160.6 x 51.7 x 35.1 mm** for the doorbell itself, and a sleek design available in **black** and **white**, the UVC-G4 Doorbell Pro stylishly blends functionality and aesthetics.

Designed for **outdoor use**, the UVC-G4 Doorbell Pro has an IPX4 rating, ensuring resistance to water splashes from any direction. The **weatherproof** enclosure, constructed from aluminum alloy and polycarbonate, guarantees durability. With a weight of **264 g** for the device and **158 g** for the chime, this lightweight design is easy to install without compromising on sturdiness.

Featuring advanced optics, the main camera boasts a **5MP CMOS sensor** with an impressive field of view and night mode capabilities driven by built-in **IR LED illumination**. The video resolution reaches a maximum of **1600 x 1200** at **30 FPS**, ensuring clear images at all times. The intelligent design also incorporates a quad-core **Arm® Cortex®-A53** processor, enabling efficient performance across various conditions.

The UVC-G4 Doorbell Pro is equipped with a user-friendly interface, including a **ring button** and a factory reset option. It supports mobile monitoring through the **UniFi Protect** application, available on both **iOS** and **Android** devices, providing you with a modern security experience. Additionally, the product complies with **CE**, **FCC**, and **IC** certifications, reflecting its high quality and reliability.
