Aprašymas

The H950 EQ USB-C®/USB-A On-Ear Headset delivers clear and reliable call quality for work and virtual meetings. The boom microphone delivers clear voice pickup, and sidetone lets you hear your own voice while speaking. Convenient in-line controls provide quick access to volume, playback, call management, and a dedicated button for quick access to Windows Copilot and voice dictation*. A 6ft (1.8m) USB-C® cable with USB-A adapter provides flexibility and dependable plug-and-play connectivity to laptops, desktops, and mobile devices. An adjustable padded headband and soft on ear cushions support hours of comfortable use. Durable and affordable, the H950 EQ is a practical choice for office grade performance at an accessible price. The plastic in this headset contains 31% post-consumer recycled (PCR) content**.
* Copilot key functionality is supported on Windows PCs where the Copilot app is available. ** Excludes printed circuit board (PCB) assembly.
