Aprašymas

Multibrackets Display Stand 180 Single Black with Floorbase is the entry level floor stand from Multibrackets and one of the most flexible and multifunctional display stands of its kind. With the 180cm height the floor stand is useful for both for home and work like conference rooms and other situations where the viewers are sitting down or standing up.

When developed much emphasize has been put into the stability and overall quality of the display stand, the floorbase plate is one solid peiece of metal creating good looks and great stability. This makes it a perfect partner for use in home environments as well as public environments such as conference rooms, class rooms or hospitals.

The M Multibrackets Display Stand with Floorbase has many accessories like shelves, camera holder etc and thanks to the Multibrackets Anti-theft system, M Multibrackets Display Stand 180 Silver can lock the screen to the display stand. So don´t just get any floor stand, but one with a more versatile usage area.
