Unlike typical 5v5 titles, where higher refresh rate and smoother motion matter more than resolution, Battle Royale benefits more from higher resolution with a good level of smoothness to spot enemies across larger, more complex battlefields.

Exclusive Dynamic Accuracy Technology (DyAc 3)

Best-in-Class Motion Clarity

Compared to any other panel types, a Fast TN panel with DyAc technology provide clearer and sharper images helping you focus and avoid the distraction of unwanted afterimages caused by rapid motion.

Enhanced Target Separation — Better Visibility with Color Filter

With Color Filter enabled, the XQ2566X reduces play zone color interference, making enemies easier to spot while maintaining natural tones for clearer target separation.

Faster setup. Consistent performance.

With ZOWIE Sync, the XQ2566X lets you control and apply your monitor settings instantly through tap-to-connect pairing, enabling easy access to shared and pro configurations while keeping your setup consistent. G Sensor provides angle reference for precise adjustment.

Comfort & Adjustability

New monitor stand incorporates industrial-grade bearings into the height adjustment mechanism, allowing easier and smoother adjustment to preferred height.

Techninė specifikacija

Display	
Display diagonal	61.2 cm (24.1")
Display resolution	2560 x 1440 pixels
Native aspect ratio	16:9
Display technology	LCD
Touchscreen	No
HD type	Quad HD
Panel type	Fast TN
Screen shape	Flat
Contrast ratio (typical)	1000:1
Maximum refresh rate	360 Hz
Display brightness (typical)	350 cd/m²
Supported graphics resolutions	2560 x 1440
Pixel pitch	0.209 x 0.209 mm
Viewable size, horizontal	53.6 cm
Viewable size, vertical	29.8 cm
Display diagonal (metric)	61.179 cm
Performance
