Aprašymas

This 2-in-1 protection combo from PanzerGlass® features not ONE but TWO scratch, shock, and drop-resistant screen protectors to keep BOTH your main AND cover screens safe from dance floor mishaps, selfies gone wrong, and your everyday fumbling, dropping and screen scratching. The cover screen protector is made of 60% recycled glass, the main screen protector of self-healing TPU foil, and both have smudge-free coatings that reduce traces of fingerprints grease.

Can you feel it? Love is in the air. Love for phones and the planet. When you keep your beloved phone safe, you can one day pass it on to another phone lover who will adore it just as much as you do. This is one way of working toward a more sustainable future! Another is to use more sustainable packaging. So, of course, this product comes in a recyclable FSC™-certified box.

Installation is a piece of cake (seriously!). Usually one try is enough, and should you need more, don’t worry: the screen protectors can be re-installed up to 200 times. We’ve even included step-by-step instructions as well as a QR code for quick access to our online how-to video. And remember: Once installed, you’ll never again fear your phone falling screen-first. So what are you waiting for?

The screen protector is Classic Fit, meaning it protects the active part of your screen from scratches and cracks.
