Aprašymas

Store your lightweight, rack-mountable equipment(max. capacity 110lb / 50kg) in this 2-post rack

This 2-post desktop rack provides 12U of storage space for mounting smaller A/V and IT equipment.

Save money with a low-cost mounting solution

With this 2-post rack, you can mount equipment at a fraction of the cost of conventional racks. The lightweight rack is engineered to meet EIA-310 rack-mount standards and is constructed of solid steel, ensuring a sturdy and safe mounting solution for your mission-critical equipment.

Improve efficiency and accessibility in your office or server room

The rack features an open frame, free standing design that saves space with a small footprint. It gives you the ability to place rack-mount equipment on any surface in your office, such as your desk. This makes it easy to access your equipment on a daily basis.

Hassle-free setup

The free standing network rack is easy to assemble and includes a pack of 20 M6 screws and cage nuts. If you're looking for other sizes, StarTech.com also offers 4U and 8U 2-post desktop computer racks.

The Choice of IT Pros Since 1985

StarTech.com conducts thorough compatibility and performance testing on all our products to ensure we are meeting or exceeding industry standards and providing high-quality products to IT Professionals. Our local StarTech.com Technical Advisors have broad product expertise and work directly with our StarTech.com Engineers to provide support for our customers both pre and post-sales.

If you're looking for a desktop mounting solution with less rack units, StarTech.com also offers a 8U 2-post desktop rack and 4U 2-post desktop rack.
