Can you feel it? Love is in the air. Love for phones and the planet. It’s the new circle of phone life. When you keep your beloved phone SAFE., you can one day pass it on to another phone lover who will love it just as much as you do. Choose SAFE. and give your phone a second, third or fourth life! This is one way of working toward a more sustainable future! Another is to use more sustainable packaging: This protection pack comes in a box made of recyclable FSC™-certified paper.

Everybody deserves to be SAFE. Without hassle, red tape, or unnecessary complexity. This protection pack is so easy to install that you can do it even if you’re all thumbs! Start by applying the screen protection – you have up to 200 tries, although one is usually enough. And when you’re done, apply the camera lens protector and click on the case. That’s it!

Now you’ll never again fear the sight of your phone tumbling to the ground. This may not happen, but if it does, you’ll regret not having clicked “add to cart”.
