Aprašymas

Wirelessly display content from a phone, tablet, or laptop onto a bigger screen with the ScreenCast 4K Max Wireless Display Adapter. Cast to TVs, projectors, and monitors. With its support of multiple wireless display standards (Miracast™, AirPlay®, and Chromecast™), this wireless display adapter is compatible with mobile devices you already own, including Windows®, macOS®, iOS®, Android™ and other cast compatible laptops, tablets, and mobile phones. In addition to its compact design, the ScreenCast 4K Max Wireless Display Adapter features an external antenna for enhanced signal coverage, making it perfect for home use and travel. The JVAW76MAX adds more features for business or education scenarios, such as Point-to-Point mode (use your Windows® device, Mac®, iPad®, or iPhone® without setting up a Wi-Fi® connection). A customizable background image gives you the ability to better express your corporate identity. Includes a Miracast™ pin code feature for additional security.

Techninė specifikacija
