Aprašymas

The Lenovo ThinkBook 14x ILL combines powerful performance and sleek design, making it an ideal choice for professionals and students alike. Equipped with a 14-inch display featuring a high-definition resolution and a 90.8% screen-to-body ratio, this notebook provides an immersive viewing experience for work and entertainment. The efficient 8-core Intel Core Ultra 5 processor, coupled with 16 GB of LPDDR5X memory, ensures smooth multitasking and quick access to applications, meeting the demands of various computing tasks.

In addition to its performance, the Lenovo ThinkBook 14x ILL is designed for connectivity and convenience. With multiple USB-C and USB 3.0 ports, as well as HDMI support for 4K output, this notebook allows easy integration into any workspace. The integrated Intel Wi-Fi 7 ensures fast and reliable wireless connectivity, while features like a dual-array microphone and stereo speakers with Dolby Atmos provide an enhanced audio experience. This device is also MIL-STD-810H tested for durability, making it suitable for a variety of environments.
