Aprašymas

The MSD-TWO is the ultimate streaming, gaming and graphic design ally, designed to give you total control over your tools and applications. Equipped with 3 multi-function wheels, 3 dedicated buttons to manage scenes and 6 customizable LCD keys, it allows you to adjust settings, create shortcuts and manage multimedia with total precision. Its advanced software allows you to customize every detail to maximize your creativity and productivity. With an intuitive and versatile design, the MSD-TWO transforms the way you work and enjoy your content, adapting to your needs in any environment.

COMPACT SLIM DESIGN

Featuring a slim, ergonomic design, the MSD-TWO easily fits into any setup, offering comfort and practicality for gaming, graphic design, and office environments alike. Its compact size makes it a practical solution for tight spaces and makes it easy to transport. Additionally, it is equipped with non-slip pads that ensure firm stability even during the most demanding sessions.

Available in two versionsBlack and White

The MSD-TWO’s 3 dedicated buttons allow you to switch between settings with a single click. Customize each scene to suit specific environments such as streaming, gaming, office, or multimedia, ensuring smooth and efficient transitions.

ADVANCED SOFTWARE: PERSONALIZED EFFICIENCY

The MSD-TWO’s advanced software transforms the way you manage your tasks. Automate daily processes by setting up macros and shortcuts, streamline your workflow with specialized plugins for multiple applications, and customize your experience by downloading unique icon packs. Designed to maximize your productivity, this software gives you complete control over your system, adapting to your needs and allowing you to save time on every project or game.

VERSATILITY WITHOUT LIMITS

Compatible with Windows and Mac, the MSD-TWO features USB-A and USB-C connections, ensuring seamless integration with any system. It is the perfect tool for managing multimedia content, configuring advanced tools or creating custom scenarios, adapting to your needs at all times.

CUSTOMIZABLE LCD KEYS

The MSD-TWO features 6 fully customizable LCD keys, allowing you to manage applications, create shortcuts, and configure specific folders or commands. Customize each icon to intuitively access your essential tools, streamlining your workflow in any environment.

MULTIFUNCTIONAL WHEELS

With 3 advanced control wheels, the MSD-TWO offers absolute precision for a variety of tasks:
- **Multimedia Control**: Adjust volume, mute microphones or control playback with ease.
- **Advanced Editing**: Make adjustments in photo, video and audio editing software, such as screen zoom, brush size, navigate the timeline...
- **Three Unique Functions**: Rotate left, right or press to completely customize each action.

These wheels turn complex tasks into fast and efficient actions, saving you time and effort.
